### 1-Day Workshop 2016-17 Schedule

SB 316 requires age appropriate transition assessment and post-secondary goals from age 14 until HS Graduation

This session focuses on Postsecondary Transition compliance: SPP Indicator #13 and Evidence Based Practices in Postsecondary Transition

#### Session objectives:

- Become familiar with age appropriate transition assessments and AATA resource library.
- Identify measurable postsecondary goals
- Develop a comprehensive plan with aligned services and activities
- Complete a compliance audit on IEP sections 4/5
- Integrate Post-Secondary evidence based practices into the plan
- Become familiar with the predictors of post-school success
- Implement and evaluate the effectiveness of the Plan
- Review 2 upcoming IEPs for compliance and integration of evidence based practices.

#### MS/HS Intervention Specialists bring:

1. An Age 14+ IEP that is completed
2. AGE 14+ IEP that is due 2016-17
